

## STRUCTURE OF APPLICATION - TRANSLATIONAL RESEARCH

The scheme below represents the structure to be followed for the application and lists all requested contents. It includes two parts regarding, respectively, the project and the team supposed to realise it. The lack or incompleteness of one of the sections can lead to inadmissibility of the proposal for formal reasons. The complete application should be no longer than 5 pages overall and should be written using an easily readable typeface (Arial, type size 11)

### **PART 1 - PROJECT PROPOSAL**

A. Abstract (to be provided also in Italian)

B. Background and preliminary results

C. Aims D.

Project plan and eventual partners\*

E. Expected results and contingency plans .

### **PART 2 - PROPONENT'S CV AND TEAM**

#### **Proponent's CV**

##### **A. Positions and Honors**

list positions and Honors and describe positioning in the international research community

##### **B. Publications**

List your 5 most relevant publications in the last 5 years. Out of the 5 publications, at least one should include an international scientist in the authors' list. Provide the impact factor for each publication. Indicate the following numbers: your total number of publications and h-index your total number of publications in the last 5 years and their average impact factor.

##### **C. Conferences**

List the conferences attended as invited speaker in the last 5 years

##### **D. Current and anticipated grant support**

##### **E. Previous experience in collaborative research**

#### **Fondazione Ricerca Molinette ets**

Fondazione riconosciuta dalla Regione Piemonte - Iscritta al n. 86 del registro regionale centralizzato provvisorio

Sede legale: Via Valeggio, 41 - 10129 Torino / telefono (+39) 011-4476835 / CF 97614340012

Sede operativa: Ospedale Molinette, Corso Bramante, 88 - 10126 Torino / telefono (+39) 011- 6705801 telefax (+39) 011-6635267
